

**International Workshop  
on HIP Arthroscopy**

20<sup>th</sup> – 21<sup>th</sup> June 2024 • Knittlingen, Germany

# Introduction

**Dear colleagues,**

The diagnosed diseases of the hip joint are ever increasing. This is not least due to the increasing knowledge about the origin of individual hip pathologies.

In the past, hip arthroscopy was unimportant because only few diseases could be sufficiently treated.

Over the last few years the technology of hip arthroscopy has experienced a fast further development. The resulting therapeutic possibilities are becoming increasingly important in the treatment of diseases of the hip joint.

Due to the anatomy of the hip joint, hip arthroscopy is technically very complex and demanding. In this course we want to offer you the possibility of learning the basics of hip arthroscopy step by step. You will complete your skills in small groups working on human preparations and models under the instruction of renowned experts.

I wish you an interesting and successful course.

A handwritten signature in blue ink, appearing to read 'W. Miehle', with a small blue arrow pointing to the right.

# Program

## Thursday, 20<sup>th</sup> June 2024

- 13:30 h**    **Participants arrival**  
at Richard Wolf Academy "Prima Vista"
- 14:00 h**    **Welcome & Introduction**
- 14:15 h**    **Lecture 1 – Principles in Hip-Arthroscopy**                      W. Miehke
- Anatomy
  - Instruments
  - Patient positioning
  - Approaches for HIP-Arthroscopy
- 15:00 h**    **Coffee & Changing for practical part**
- 15:15 h**    **Wet-Lab: Practical exercise on anatomical cadavers**                      W. Miehke
- Extension
  - Portal Placement
  - Diagnostic Tour
- 17:15 h**    **End of Day 1**
- 19:30 h**    **Common Dinner**

## Friday, 21<sup>th</sup> June 2024

- 08:00 h**     **Welcome**
- 08:15 h**     **Lecture 2 – Indications in HIP Arthroscopy**     W. Miehke
- Good and bad Indications for HIP Arthroscopy
- 08:45 h**     **Case Discussion: FAI**     W. Miehke
- 09:15 h**     **Coffee & Changing for practical part**
- 09:30 h**     **Wet-Lab:** Practical exercise on anatomical cadavers     W. Miehke
- FAI Cam/Pincer
- 12:00 h**     ***Lunch Break***
- 13:00 h**     **Lecture 3 – Labrum**     W. Miehke
- Labrumrefixation and LCF Resektion
- 13:30 h**     **Case-Discussion: Labrum**
- 13:45 h**     **Coffee & Changing for practical part**
- 14:00 h**     **Wet-Lab:** Practical exercise on anatomical cadavers     W. Miehke
- Labrumrefixation and LCF Resektion
- 17:00 h**     **End of Day 2**

# Information

## International Workshop on HIP Arthroscopy

**Date:** 20<sup>th</sup> and 21<sup>th</sup> June 2024

**Participation fee:** 600,- €

**Maximum number of participants:** 6 Persons

**Location:**

Richard Wolf Academy "Prima Vista"

Pforzheimer Str. 32

75438 Knittlingen, Germany
