

Join

our **GYNECOLOGY WORKSHOP**
from **12th to 13th of September, 2019.**
Prima Vista Dubai – Healthcare City

Prima Vista Middle East / Dubai

Education Center and
Communication Platform

We are very proud to welcome Dr. Mathab Bazargan and PD Dr. Andreas Hackethal from "Frauenklinik an der Elbe" in Hamburg, Germany as speakers and tutors to our Gynecological-Laparoscopy / Urogynecology workshop at the Richard Wolf Academy Prima Vista in Dubai.

"Frauenklinik an der Elbe" is a well known and experienced center for minimal invasive gynecological endoscopy in an outpatient environment and has a long term partnership with Richard Wolf for over 30 years.

Priv.-Doz. Dr. med. Andreas Hackethal

Gynecological Laparoscopy

**Laparoscopic Techniques Hysterectomy (TLH),
supracervical Hysterectomy (LASH), laparoscopic Myomectomy**

PD Dr. Andreas Hackethal is specialized in minimal invasive surgery and an expert in gynecological oncology and endometriosis. He has a well expertise and experience in using Richard Wolf products such as laparoscopic instrumentation and devices during his day by day workload in "Frauenklinik an der Elbe".

Dr. med. Mathab Bazargan

Urogynecology

laparoscopic sacrofixation, urogyn techniques

Dr. Mathab Bazargan is specialized in minimal invasive surgery and an expert in urogynecological interventions such as loop techniques, laparoscopic sacrofixation and prolapse surgeries. She has well expertise and experience in using Richard Wolf instrumentation for the daily practice such as our laparoscopic instrument system ERAGONmodular and our ENDOCAM Logic 4K camera system.

excellence in education

The Richard Wolf Academy Prima Vista

The Richard Wolf Academy Prima Vista is a center of competence focusing on education and knowledge transfer.

Specialists and generalists, instructors and learners, users and innovators all come together at the Richard Wolf Academy Prima Vista. It's a place where leading experts can share their knowledge and explore important topics with ambitious physicians.

The Prima Vista eAcademy

The Prima Vista eAcademy is a digital learning platform that delivers valuable educational content, optimized for the digital space. Interactive e-learning courses with a variety of exercises and tests help trainees improve their skills and gain new knowledge.

The eAcademy provides a combination of online and face-to-face training sessions. In the future, trainees will have the opportunity to put what they have learned online into practice immediately through hands-on sessions.

Benefit from

- **Workshops:** Under the tutelage of leading experts, trainees practice basic and advanced surgical techniques on models and specimens.
- **Clinical visits & live operations:** The latest multimedia technology allows operations to be streamed live. We offer clinical events and practical sessions with international specialists.
- **Blended learning:** The latest learning methods will be used to offer a combination of e-learning and face-to-face events.

Worldwide presence

The Richard Wolf Academy Prima Vista offers more than 100 events worldwide each year with more than 400 trainers and tutors.

Prima Vista locations:

- Germany
- China
- UAE
- USA
- France

Join our worldwide network

- Engagement with international experts
- Knowledge transfer and advanced training
- Reference centers and dependable partnership
